

A DELIGHTFUL TASTE OF THE OLD WORLD!

**Kobbs** is a family owned Swedish business that has been selling tea for over 215 years, and their "Himlagott" Heavenly blend of peach flavored black tea has been a Swedish staple for generations. If you prefer white tea, our Elderflower and Peach blend is just one of our dozens of unique varieties, blending nutritious berries and fragrant flowers of Scandinavia with spices and teas of the Orient.

While enjoying the fragrance and taste of our tea samples, you can also shop our other gift items, like practical artpieces handblown by the **Kosta Boda** glassworks originating in 1742.
